

Getac A140 Rugged Tablet

Highlights

The Getac A140 fully rugged tablet is our largest and most powerful tablet to date. It features best-in-class performance, industry-leading security and a spacious 14" display, with wide viewing angles, that provides more room to get things done, with less scrolling. A host of convenient carrying and mounting options makes it ideal for maximum mobile productivity.

The A140 is designed for maximum mobile performance and productivity. Powered by 10th Generation Intel SkylakeCore i5 and i7 processors, the A140 brings greater computing and GPU performance with reduced power consumption, ideal for data-intensive multitasking.

The A140 integrates high-speed wireless communication technologies so you can stay connected online anytime, anywhere.
